

# SchoolMoney

Brought to you by Teachers2Parents

## **PayPoint**

To try and make your life a little easier we now have available the facility of using PayPoint to pay for items on SchoolMoney, such as Dinner Money and School Trips. All you need to do is contact the school office and request a PayPoint Barcode sheet for your child.

Once you have the barcodes you can look up a local PayPoint by going to [www.paypoint.co.uk](http://www.paypoint.co.uk) and typing in your postcode. This will bring up all of the local shops where you will be able to pay using either cash or your credit or debit card.

Please remember to hold onto your PayPoint receipt so that you always have proof of payment.

If you have any questions at all regarding this, please get in touch with the school office.

## **PayPoints Local to the school**
